Survey - District Board roads - Hospet taluk - Demarcation - Special staff - Entertainment - Report - Submitted.

Ref:- Arising.

It has been brought to my notice that the roads noted below have not been surveyed and that the work would engage 1 special deputy surveyor with two chainmen and one peon for 2 months to survey them.

1. Gowripuram-Kudligi road.
2. Gowripuram-Hampasagaram road.

The total length of these roads is reported to be 1 mile and 7 furlongs. These two roads are close to the trunk road and branch off from it. As a survey is necessary the President, District Board, Bellary, was addressed to obtain a resolution of the District Board for the entertainment of the special staff and a copy of his Ref. C. No. 381/40 dated 12-2-1940 is enclosed. As the President, District Board, had no objection to starting the work and a deputy surveyor was under orders of reversion, I have entertained this deputy surveyor with one peon and two chainmen for a period of 2 months from the date of joining in anticipation of Board's sanction to save time and the travelling allowance of the deputy surveyor to and from the headquarters of the Survey Party (Nellore). The formal resolution of the District Board will be obtained and submitted soon after its receipt.

p 4 infra

2. The deputy surveyor may be allowed an F.T.A. of Rs.15/- per mensem as he was drawing the same amount on previous occasions.

3. In the above circumstances, I submit that my action may be approved.

Copy of letter C.No. 381/40 dated 12-2-1940 from the President, District Board, Bellary, to the Collector, Bellary.

~~In the correspondence~~

quoted above, the Board of Rev. has proposed that a fixed travelling allowance of Rs 15/- p.m. should be sanctioned to the Deputy Surveyor employed for the survey of the Gowripuram — Kudligi road and the Gowripuram — Hampasagaram road in the Hospet taluk of the Bellary District. As the Board is requested to report ~~the reasons as to~~ why it has recommended the grant of F.T.A. to the Deputy Surveyor, for the survey ~~when the length of the roads~~

It is reported that the total length of these roads is 1 mile and 7 furlongs

Ref:- Your Ref. F. No.1321-3/40 dated 17th May 1940.

The Fixed Travelling Allowance of Rs.15/- was

recommended as the village where the work had to be done is far off from the Taluk Headquarters of Hospet. The Deputy Surveyor was granted Fixed Travelling Allowance for a similar work in Alur Taluk in Board's Reference No.4707 dated 4-11-1939. As the District Board has consented to the payment of the Fixed Travelling Allowance, I request that necessary sanction may be kindly accorded.

Establishment - Temporary (Bellary) District Board - roads - Hospet Taluk - Demarcation Special staff - further report submitted.

Ref.- Your Ref. F.1321/40-4 dated 30-8-1940.

The distance of the work spot from the Taluk headquarters (Hospet) is about 5 miles.

2. The work spot from the nearest village is about one mile.

3. The payment of Fixed Travelling Allowance will be more advantageous to Government than the ordinary Travelling allowance.

4. In Gowripuram village, which is the nearest village to the place of work there is no habitable buildin, Further, the Deputy Surveyor already stayed at Hospet as I had fixed it as his Headquarters and completed his work by going to Gowripuram almost every day. If regular travelling allowance is given it will be more than the

Fixed Travelling Allowance of Rs.15/- as the jutka fare for a trip to and from Hospet will be at least Rs.2/-. I therefore request that sanction may be accorded to pay a fixed Travelling Allowance of Rs.15/- per month as already recommended by me.
